1000-Block of Brazos Court SE: Broke window to steal back pack left on passenger side floorboard.

3100-Block of Candlelight Dr NE: Damaged window that had not been repaired pushed down to gain access to vehicle to steal wallet, ID, debit card, charger.

Our number of residential burglaries was high for the Foothills Area Command from Friday through Sunday. Common denominators? Unforced entries into homes. Please remember to lock your home to prevent a burglary. Do not leave garage door openers in vehicles parked in driveways, curbside or when out and about – take the garage door opener with you. Close and lock windows when you leave or if you feel you must leave a window partially open when you leave look into the many options for secondary locking mechanisms that prevent the window from being removed from the track when it's partially opened. Lock the front door AND the back door. One of the eight residential burglaries reported over the weekend in the Foothills Area Command was actually a forced entry (burglar pried open a back door) – we had many preventable residential burglaries.
